

School of Engineering and Biomedical Sciences
Student Network/Internet Account Agreement

This agreement refers to the following Pueblo School District 70 board policies: JS.R_Student network-Internet Policy Handbook. Regulation.pdf, JSA_District 70 Web Policy .pdf JS_Student Acceptable use Policy (Internet).pdf. Please access these documents at <http://www.district70.org/boe/policies/index.J-Students/> A hard copy is available upon request.

In addition, the School of Engineering and Biomedical Sciences reserves the right to make the following constraints concerning network usage. The following are prohibited:

- Recreational surfing (non-educational purposes)
- Downloading any files, plug-ins, programs, etc. without instructor approval
- Access to personal posting sites such as Facebook or MySpace
- Accessing and /or participating in blog or chat environments unless specifically required for an assignment and with prior instructor knowledge
- Game playing – online or any local software – this includes access to gaming codes etc.
- Loading of any software, plug-in, or program etc., to the hard drive of any computer without instructor approval
- Personal communication for non-educational purposes such as email or instant messaging
- Attempts to integrate personal laptops into district network
- Sharing accounts or account information such as account password
- Manipulation of computer system settings
- Any other malicious or non-educational activity not addressed above

I have read the following:

- School of Engineering and Biomedical Sciences additional Network User Constraints (outlined above)
- Pueblo School District No. 70’s (“PSD70”) Student Acceptable Use Policy (File:JS*)
- Student Network /Internet Policy Handbook (File: JS*-R).
- Dis70 Web Policy (File: JSA*)

I agree to the following rules contained in these policies. I understand that if I violate the rules, my account may be terminated, and I may face other disciplinary measures.
